Omaha, NE 68110

Greetings—

We are so excited to tell you all about this year's Spring Clean Up. Getting neighborhoods spruced up for summer activities will continue to be a part of the program that the City of Omaha, Keep Omaha Beautiful, Inc. and neighborhood organizations have partnered with for so many years. Spring Clean Up is more than free disposal of bulky household waste; it is community betterment. We ask that you choose a park or other public area within your neighborhood to clean up or otherwise improve.

This registration packet is being sent to the President of each organization in the registry maintained by the Omaha Planning Department and to the previous year's Spring Clean Up contact. We ask that you please share the information with your group and then complete and return the enclosed registration form. Only one registration is needed per group.

Registration deadline is Tuesday, February 21, 2012.

We will meet for a Spring Clean Up Kick Off meeting at the same location as last year. This is a time when we can share ideas and ask questions. Mayor Suttle will be there and we'll have refreshments, prizes and this will be your first opportunity to find out what Spring Clean Up day your group has been assigned. *We promise it will be fun!*

**Spring Clean Up Kick Off Meeting
Wednesday, February 29, 2012, 5:30PM
Columbus Park Community Center
1515 S 24th St**

Additional parking: Omaha Parks & Recreation Facility to the South

Thanks so much for all the work you do to making Omaha a wonderful place to live.

Sincerely,

Cindy Smilley
Executive Director

2012 Spring Clean Up Registration

→ → → **Due by Tuesday, February 21, 2012** ← ← ←

Complete, or Correct, this Entire Form (both sides).

Organization Name: Concord Square Homeowners Association

2012 Spring Clean Up Dates

| | |
|--------------------|--|
| Saturday, March 31 | Locations are grouped geographically and assigned by the Spring Clean Up Coordinator. |
| Saturday, April 14 | |
| Saturday, April 21 | You may mark out only one date in the list to the left that will not work due to a scheduling conflict outside your organization's control. Marking out more than one date will jeopardize your organization's opportunity to participate in Spring Clean Up. |
| Saturday, April 28 | |
| Saturday, May 5 | |
| Saturday, May 12 | |
| Saturday, May 19 | |

1) Each Clean Up Saturday, locations are needed for tire collection and appliance collection.

Tires and Automotive Batteries: Does your organization and location have the necessary space and volunteers (at least 1 person dedicated to tire & battery collection) to host a dumpster and a truck for disposing of tires and batteries?

- Yes No

Appliances: Does your organization and location have the necessary space and volunteers (at least 2 persons dedicated to appliance collection) to host a dumpster for disposing of appliances?

- Yes No

- 2) Combining organizations at one site helps control the cost of Spring Clean Up and are encouraged.

Previously your organization has combined with: _____

This year the Spring Clean Up Coordinator would like to combine your organization with:

Conestoga Place, Long School, OIC

- 3) Brush is not accepted at Spring Clean Up sites. Vouchers for brush disposal at River City Recycling (6404 S 60th St) or the Pheasant Point Landfill (14320 N 216th St), **good only on your Spring Clean Up day**, are available.

The number of vouchers distributed last year: _____

This year we expect to need (check one) More Less The Same

- 4) Will your organization be arranging for separate thrift store or metals collection? This must be organized in advance with a container or vehicle on site to accept these items. yes no

Note: Due to recent Municipal Code changes, metals recycling must be pre-arranged and communicated to the Spring Clean Up Coordinator. **No Metals recycling will be allowed unless prearranged.**

Please describe what you will be doing: _____

- 5) Spring Clean Up is more than just free disposal of bulky, household garbage, it is community betterment. What public area is your organization going to clean up or otherwise improve this year? **(This is a required element for participation in Spring Clean Up)**

- 6) Other Comments or Suggestions: _____
